BUILDING FUND UPDATE

The Family Life Center loan balance is now \$45,000. With regular monthly payments the indebtedness will be paid in full in June. However, with extra principal payments we have the opportunity to retire the debt earlier. We would love to pay it off by Easter Sunday on April 12th. This would be an early payoff of 6 years. On March 30th the entire offering will go toward the debt payment. However, you can give toward the debt retirement at any time by designating to the Building Fund. Thank you for your faithfulness in giving to the Lord's work!!!
