

PROJECT UPDATES

Phase 2—Youth Center: Project was completed after new playground and fencing was installed in April.

Parking Lot Improvements: Parking lot beside of FLC now has 82 marked spaces. Additional sidewalks will be added in the future.

New Driveway property: The church retained 1 acre with road frontage (of original 5+ acres and house) to give access for a new drive. Closing is set for this week to sell the remaining portion. The original purchase price was \$285,000. After closing costs we will net approximately \$260,000. The completion of the driveway is progressing but will depend on weather conditions.

Phase 3—Office and Educational Classrooms: This 18,000sq ft project is moving along very well with 1st floor framing 95% complete. Trusses for 2nd floor are scheduled to arrive this week. Estimated completion date is Summer of 2024.

Church Debt: The church debt as of 12/31/2022 was \$910,000 which consisted of \$625,000 for Phase 2 project and \$285,000 for driveway project. After the property is sold this week, along with all the principal payments that have been paid the past 4 months, the debt will be at \$475,000. A major goal is to have this debt paid before the completion of the phase 3 project which has an estimated cost of 2.1 million.

This series has been postponed until a later time.

Christian Case-Making in a Highly Secularized World

Led by Steve Hall

More and more people in our culture reject God’s Truth. Christians need to be equipped to share the abundant evidence that God has given us so that others can know why we are confident that what we believe is actually true.
