## NEW CHURCH APP

Scan the QR code to download the church app!

If you would like to be notified of current activities happening within the church's ministries, simply click on the "group" button in the app to join a specific ministry group. Also, we would love to have everyone join the pictorial directory through the app. Look for an email inviting you to join and add your family's picture.

**Financial Giving Update:** As Pastor Jason announced on July 6th we are behind budget goals on average of \$2,100 per week which is about 7% of the entire budget. This equates to approximately \$110,000 annually for the church year that runs from September 1st to August 31st. This shortfall does affect future spending decisions about next year's budgeted items in all areas of the budget including missions giving, ministry events, payroll, and administrative expenditures. **Our Annual Business Meeting will be held on August 24th in the evening service.** We will present a proposed budget for the 2025-2026 church year that includes approximately \$120,000 in cuts.

Services include: Anxiety, stress, addiction help, anger management, premarital & marriage counseling, divorce & grief recovery, children & teen coping skills. For more information contact Macy Small at 865-414-3269.

**There will be no evening service on August 31st due to the Labor Day Holiday.**
