CONNECT WITH US!

If you would like to have a pastor contact you or have a prayer request, scan the QR code.

Social September– Throughout the month of September, Pastor Jason has asked for everyone to wear name tags in an effort to be more social and get to know everyone better. To help with this process, we have created pre-made name tag stickers for many members. Please visit the Connect Corner in the foyer to pick up your name tags. It is our hope that these stickers will be worn during the services in September to help people connect and put names with faces.
